APPLICABLE TO EQUIPMENT BREAKDOWN FORM

THIS FORM DOES NOT APPLY:

To loss caused by or resulting from:

- (a) the ability, failure or malfunction of any electronic equipment, microchip, integrated circuit, operating system, software, or other similar device or product to correctly read, recognize, save, process or interpret any date or time;  
or
- (b) the assessment, modification, repair or replacement of any electronic equipment, microchip, integrated circuit, operating system, software, or other similar device or product due to its ability to correctly read, recognize, save, process or interpret any date or time.

However loss that ensues solely from an Accident to any other insured Object is covered.

All other terms and conditions of the Form remain unchanged.
