

The following exclusions are hereby deleted from the Basic Insuring Agreement:

**Section 1**

1. Damage due to mechanical failure, faulty construction or error in design of the property insured hereunder unless fire or explosion ensues, and then only for loss, damage or expense caused by such ensuing fire or explosion.
2. Dryness or dampness of atmosphere, extremes of temperature, corrosion or rust, unless directly resulting from physical damage to the data processing system's air conditioning facilities caused by a peril not excluded by the provisions of this endorsement.
3. Short circuit, blow-out or other electrical disturbance, other than lightning, within electrical apparatus, unless fire or explosion ensues and then only for loss, damage or expense caused by such ensuing fire or explosion.

**Section 2**

1. Dryness or dampness of atmosphere, extremes of temperature, corrosion or rust, unless directly resulting from physical damage to the data processing system's air conditioning facilities caused by a peril not excluded by the provisions of this endorsement.
2. Data processing media failure or breakdown or malfunction of the data processing system including equipment and component parts while said media is being run through the system, unless fire or explosion ensues and then only for the loss, damage or expense caused by such ensuing fire or explosion.
3. Electrical or magnetic injury, disturbance or erasure of electronic recordings, except by lightning.

**Section 4**

1. Damage due to mechanical failure, faulty construction or error in design of the property insured hereunder unless fire or explosion ensues, and then only for loss, damage or expense caused by such ensuing fire or explosion.
2. Short circuit, blow-out, or other electrical disturbance, other than lightning, within electrical apparatus, unless fire or explosion ensues and then only for loss, damage or expense caused by such ensuing fire or explosion.

**LIMITATION**

Any damage caused by a change in the electric power supply shall not be covered if the change originates more than 100 feet from the building containing the electronic data processing system(s).

**DEDUCTIBLE**

Loss or damage resulting from the above mentioned perils is covered subject to all other terms of this policy, except that the amount of the deductible applicable to loss or damage caused by these perils shall be the amount indicated in the "Declarations Page".

**DEFINITION**

Wherever used in this form:

"Declarations Page" means the Declarations Page applicable to this form.

All other terms and conditions remain unchanged.
