

BACKING-UP OF SEWERS ENDORSEMENT

4041063 (11/98)

IT IS HEREBY AGREED THAT:

Without increasing any existing Limit of Liability, the following extension is provided:

This policy is extended to insure against loss or damage caused directly by the backing-up of sewers, sumps, septic tanks or drains.

The Insurer is liable for the amount by which the loss or damage caused by any of the perils insured against under this endorsement exceeds in any one occurrence the deductible specified in the Declarations.

The Insurer is not liable for loss or damage caused by any of the perils insured against in any one occurrence in excess of the sublimit specified in the Declarations.

All other terms and conditions remain unchanged.
