

**AUTOMATIC FIRE SUPPRESSION SYSTEM WARRANTY**

**PAFSW (02/07)**

This warranty modifies coverage provided by forms PA1, PN1, BA1, BN1, BA14, BN14, BA11, BN11, BA5, BN5, BA15, BN15 but only if indicated on the Declarations Page for the form.

It is a condition of this policy that all cooking surfaces including the hood and exhaust duct be protected by a wet-chemical fire extinguishing system and the required K Type portable extinguisher(s) are in proper working order and activated

Further, the equipment is maintained and inspected as recommended by the manufacturer under contract with a certified fire protection maintenance service on a semi annually basis.

If the automatic fire suppression system and the required K Type portable extinguisher(s) is not in proper working order nor maintained as required, any direct or indirect loss or damage from fire resulting from any cooking surface which is required to be protected by such system, will not be covered.
