

Automatic Fire Suppression System Recharge Expenses Extension

PE27 (05/01)

This extension modifies coverage provided by form PA1, PAP1, PAC1, PN1, PNP1 and PNC1, but only if indicated on the Declarations Page for the form.

This Insurance covers automatic fire suppression system recharge expenses incurred by the Insured due to the leakage or discharge of the fire suppressant within any automatic fire suppression system at the Insured's premises where such discharge or leakage is caused by or results from a peril insured.

All other terms and conditions of this Policy remain unchanged.
