

**EXCLUSION – WATER DAMAGE**

**PX20 (07/08)**

This endorsement modifies coverage provided by forms PA1, BA5, BA11, BA15, but only if indicated on the Declarations Page for the form.

PERILS EXCLUDED is amended as follows:

This form does not insure against loss or damage caused directly or indirectly or as a result of or in consequence of:

The escape of water from a plumbing, heating, air condition system, fire protective equipment or any tank, apparatus or pipe from such systems and/or the rupture of any plumbing, heating or air conditioning system, fire protective equipment or any tank, apparatus or pipe from such systems.
